| DATE | 30 May 2016 |
| WHO | Men's Artistic Gymnastics community |
| FROM | Ken Bow - Men's Artistic Gymnastics Sport Development Committee Judging Advisor |
| SUBJECT | Competition Judging Panels and MAG Level 6 |

All Men's Artistic Gymnastics (MAG) judging panels need to be sent to the Sport Development Committee (SDC) Judging Advisor for ratification **one week prior** to all competitions. In addition confirmation of the final panels used at the competitions must also be emailed to the Judging Advisor. This enables the SDC to ensure all competitions have qualified panels and also a check for those that are filling in new Elementary and Junior judging logbooks.

It has also been decided by the MAG SDC that going forward Level 6 gymnasts are **able** to wear white longs on all apparatus except floor and vault. Note this is not compulsory and should be governed by the FIG rule article 2.3 competition attire.
