

Trampoline Junior/Senior Judge

This judging course is specific to the GymSport of Trampoline and will cover the disciplines of trampoline and double mini trampoline.

Type of Judge	Able to Judge
Junior Judge	All levels form & assist difficulty levels (not qualifying) Incentive Awards L1-7
Senior Judge	All levels form & assist difficulty Incentive Awards L1-7

The year 2013 is the beginning of a new judging cycle, so all current judges will need to attend the course in order to revalidate/upgrade their judging qualifications. Observers (coaches) may also attend the course to gain knowledge for coaching purposes.

Participants should have a good working knowledge of the Code of Points and the Trampoline Handbook. The Trampoline Code of Points is available from the FIG website.

A theory and practical exam will be held at the end of the course. Once a judge attends a course and passes exam requirements they are eligible to judge at competitions and Incentive Award assessments. To become fully accredited judges must complete a required number of sessions/hours in a logbook and submit. Accredited judges are eligible for a judging pin and are eligible to attend the next level of judging.

Registration

Clubs will need complete details on the registration form for the course and return to the relevant Regional Relationship Manager. Clubs/participants will receive notification of entry. Unless notified the course will take place at the date, time and venue as advertised on the registration form.

Clubs/organisations will be invoiced for participants after the closing date. Participants will be sent a reminder email prior to the course.

GymSports NZ will consider registrations that are received after the course closing date, but these entries will incur a \$30.00 + GST late fee per club. No registrations will be received less than one week prior to a course.

Any participant wishing to withdraw from a course after the course closing date is asked to promptly contact GymSports NZ in writing. Withdrawals after the closing date will be charged a withdrawal fee which is 25% of the overall course fee.

Course Information

Participants are asked to bring their own packed lunch and light refreshments to the course. Participants are encouraged to arrive at course venues at least 15 minutes early and wear clothing suitable to practical activity.

Course Cancellations

In the unfortunate event of GymSports NZ having to cancel a course, participants will be contacted and full refund arrangements will be made.
