

## **Regional Relationship Manager Structure** **February 2017**

As the gymsports community will now all be aware, GymSports New Zealand (GymSports NZ) had a community sport funding reduction from Sport NZ last year amounting to \$1.6 million through to 2019.

This significant funding reduction has meant that GymSports NZ has had to make some changes to the Regional Relationship Manager (RRM) Team structure.

### **What does this mean for your club?**

We have reallocated affiliated member clubs across the current RRM team (please see club allocation list below) to ensure that you continue to have a direct line to GymSports NZ and receive the best level of service we can offer.

One slight change is the introduction of the 'helpdesk'. In order for the RRM's to focus on regional support, we are centralising some of the administration requirements of the current RRM role. From the 1<sup>st</sup> March, you should use the 'helpdesk' for the following;

- Membership spreadsheet submissions
- Participation form submissions
- Coaching hour submissions
- Competition number requests
- Athlete transfers
- Job advertisements
- General enquiries relating to education, our gymsports codes, national events.

The email for the helpdesk is as follows; [helpdesk@gymsportsnz.com](mailto:helpdesk@gymsportsnz.com)

In the coming weeks, the RRM's will start the consultation process to develop a new Regional Action Plan (RAP) for each region. These RAPs will ensure that you are getting support in the exact areas you need it, it will also allow us to focus RRM time on the things that really matter to you.

### **How long will the structure look like this?**

The RRM structure will look like this until we can secure alternative funds. In the next few months we will submit three funding applications for RRM's based in Southland, Hawkes Bay/Poverty Bay and Bay of Plenty. Of course, there are no guarantees that we will secure funding but our aim is to minimise any disruption to you as we work through these applications and we believe this structure will help us to do that. We will keep you informed on a regular basis so there are no surprises.

### **Who is my RRM?**

The table below provides the new allocation of member clubs and the contact details for each RRM. If you have any questions regarding this, or the RRM structure please do not hesitate to get in touch with Danielle Halliday (Community Sport Manager) [danielle.halliday@gymsportsnz.com](mailto:danielle.halliday@gymsportsnz.com) - 021 984 828.
