MAG Squad Announcement – 360 and National

The MAG Sport Development Committee would like to congratulate the following athletes who have been selected into the MAG Squad 360 Program for 2018. All athletes have undergone extensive skills and profile testing over the past few weeks and have shown their potential as Performance Athletes.

Each squad has been selected based on the profiles tests, skills tests and performance in 2017 competitions. The Challenger squad members are those who we believe have the potential to push for inclusion in the squads and we will be monitoring their progress throughout 2018.
