 - the Set Routine can only contain the skills specified below and they must be undertaken in the order shown
 - Students in C Grade must use the Set Routine specified for C Grade as their Voluntary Routine however the difficulty of the skills in the routine will be counted in the total score for their Voluntary Routine.
- Elite Grade can chose their own skills for the Set Routine as long as the overall routine meets the requirements specified.
- The Voluntary Routine for Elite, Junior Elite, A Grade and B Grade can include any 10 skills chosen by the student, but it should be noted that some grades have limits on the difficulty of each skill allowed. The order in which the skills are undertaken can also be chosen by the student.
