RE: 2018 Nationals Timetable	NOTE:

Dear Member Clubs,

Gymnastics New Zealand is pleased to release the Provisional Timetables for the 2018 New Zealand Gymnastics Championships to be held at ASB Arena, BayPark in Tauranga.

The provisional timetables have been constructed based on consultation with the Sport Development Committee's. This has included such considerations as qualifying events across the country, membership data received, confirmation of attendance by Australia and likely judge composition. As a by-product of this scheduling, please note that the event is now to finish **one day earlier** than what has been previously communicated. The event will commence on **Wednesday 3 October** and will now conclude with the Closing Ceremony on **Saturday 6 October 2018**. Timetables are available [Here](#).

The Championships are the pinnacle event for New Zealand and it is important to reflect this in the schedule. As such, the 'Super Session' held on Saturday 6 October will be the final session showcasing the top athletes across all codes. We invite everyone to come and join us for a fun filled afternoon, followed by the Closing Ceremony and After Party.

We appreciate that this may cause some inconvenience due to planning around the original scheduling from 3-7 October. However, on balance we believe the rescheduled programme will deliver more benefits and flexibility to provinces attending than maintaining the original schedule.

We are excited to once again see the country's top athletes compete under the one roof for National titles. We look forward to partnering with the venue and our Bay of Plenty members to deliver a spectacular event.

Kind regards,

Ayla Huber
Event Manager
Gymnastics NZ
