

How does it work?

1

Join Switch CLUBPOWER.

For a great deal on electricity and gas – business or home.

2

Switch CLUBPOWER takes care of everything.

No-one to notify – it's the same energy.

3

You get a great price.

Gymnastics NZ receives a rebate every month to grow the sport.

Who are Switch Utilities?

CLUBPOWER was created to help improve sports funding and to support happy healthy families and communities.

We are a New Zealand energy retailer supplying electricity and gas to both commercial and residential customers nationwide.

The company has been recognised as one of the Top 50 fastest growing New Zealand companies for three years running (Deloitte Fast 50 in 2013/2014/2015), is New Zealand's 11th largest electricity retailer and one of the fastest growing today.

Switch Utilities competes daily with all the larger retailers which means our prices have to be good. For Switch CLUBPOWER to be successful the energy price needs to be as low as we can make it.

How does Switch CLUBPOWER work for the Member?

Switch CLUBPOWER works seamlessly in the background. Our customer service team will review your current utilities accounts and deliver the most competitive proposal we can.

Members give the authority for their accounts to move to Switch CLUBPOWER and we handle the entire transfer process.

Electricity and Gas are delivered continuously – there is no interruption to supply.
