

GYMNASTICS COACH

Howick Gymnastic Club provides a wide range of gymnastics programmes to the Howick/Pakuranga community and is also involved with hosting schools gymnastics festivals and recreational competitions.

We are not a large organisation, however the size of HGC means we can be nimble to meet the needs of our community. Our employees are an integral part of HGC and we're a passionate and enthusiastic team committed to living and breathing personal development through sport.

The Club has a growing number of gymnasts through all programmes, competing within the Auckland region, North Island and also at Nationals. To cope with the growing demand for all of our programmes, the Club is looking for coaches across all levels with the following attributes:

We want you to join the team:

Do you have strong communication skills?

Coaching experience – perhaps you are a personal trainer or coached an alternative sport?

If you have a positive and enthusiastic attitude, a willingness to learn, excellent organisational and time management skills then we want you to join the team!

What does the role involve?

As a competitive coach you will provide a programme to develop and grow the talents of the gymnasts, working in collaboration with the wider coaching team.

You'll naturally encourage fair play, enjoyment and maximum participation in all sessions to ensure all gymnasts achieve high standards within a safe environment.

You love a little fun, getting stuck in and are invested in continuing your own development. You will have the opportunity to get involved in other projects across HGC and build your knowledge through hands on experience across the club.

What can we offer?

Our commitment to development doesn't stop at our gymnasts. We're committed to investing in our people and creating high performers. We will provide you with the support, learning and development to help you grow and take the next step in your sports coaching career. We provide for work life balance including opportunities for flexible hours and excellent working conditions.

If you're ready to start your next coaching adventure, apply online now,

The Club's priority is on identifying the "right" person - accordingly applications from individuals without specific gymnastics experience (but with the necessary drive and personality) will be considered.
