| RE: Gymnastics For All Sport Development Committee | NOTE: |

Dear Gymnastics For All (GFA) Community,

Gymnastics New Zealand (GNZ) are excited to announce that the applications for the GFA Sport Development Committee (SDC) are now open.

It has been ten years since the last group of GFA experts was in place providing leadership and direction for the benefit of GFA in New Zealand. This newly formed group will work with GNZ and our community in a collaborative, transparent and inclusive manner, to increase opportunities and attract and retain GFA participants, coaches and performance judges across the country. We are putting the 'A' into 'GFA'!

We are looking for experience across a number of roles. All the documentation can be found on the GNZ website bit.ly/GymForAllSDC
Please ensure that you read all the documentation thoroughly before submitting an application.

Timeline

Applications close: 3 December 2018
Applicants notified: Week beginning 10 December 2018
