If you have been selected for a squad please make sure to carefully read the calendar that comes with this communication. The January Camp will run from 16-20 January 2019 at Tri Star Gymnastics and is compulsory for all squad members. To make flight planning easier the camp will start after 10:30am 16.01.19 and finish before 3:00pm 20.01.19. As it will be a busy camp can I please request as many personal coaches as possible attend.

We have recently conducted a review of the 360 programme. There have been some incredible achievements to date from our athletes; notably Sam Dick's 4th place at the Youth Olympic Games on vault; as well as many other significant milestones. To continue to build on this momentum and support the next generation of 360 athletes we will be offering more opportunities for athletes and coaches to have access to 360 resources in 2019.

1. In 2019 we will be opening up our Regional Camps to 360, Challenger and now any Club athletes between Level 4 and U18. We will hold regional camps in Auckland, Wellington and Christchurch twice in 2019, and these will be excellent educational opportunities for coaches and athletes. Keep an eye out for details and make sure to sign up!
2. There will also be a change to the Challenger squad training schedule. All Challenger athletes will now be invited to attend the last two days of our 360 National Camps in order to increase our ability to support them towards 360 inclusion (and so they can push the boys already in the squad!) These will be in addition to the Regional Camp opportunities that already exist.

For those athletes who did not make the 360 squads, or were moved to Challenger I would like to encourage you to take this opportunity to reflect on your training habits and see where you might be able to make improvements. 360 is a high performance programme that requires high performance practice. Gymnastics is a 'long game' and careful planning with hard work will go a long way so keep pushing!

All my best over the Christmas period and I look forward to seeing all our new Squad members in January, 2019.

David Phillips
360 Lead Coach
