

VACANCY- HEAD MAG COACH

Affinity Gymnastics Academy is a new artistic gymnastics club based in Rolleston (New Zealand) and is the second largest dedicated artistic gymnastics facility in the South Island affiliated under Gymnastics New Zealand. We are a registered charity that has been established to serve the Selwyn district and at this stage we only offer Women's Artistic Gymnastics (WAG) and Men's Artistic Gymnastics (MAG).

Our membership has more than doubled since we opened our doors (October 2018) and our numbers are now at 370 members across our recreation and competitive programmes.

Our growing MAG programme means that we are seeking to appoint a Head MAG coach. We have some brilliant young coaches and we are keen to develop them further with the introduction of a talented MAG head coach. We have a small number of competitive MAG gymnasts that require stable coaching and guidance to help them achieve their full potential.

We are looking for a qualified coach who can lead and develop our MAG programme. Ideally qualified to Senior Coach level with Gymnastics New Zealand (or similar country equivalent) and having a proven track record in coaching men's artistic gymnastics. In return we offer a unique opportunity for someone to stamp their marque on our MAG programme to develop future talent in a friendly and fun new environment.

The coaching hours will be predominantly during mid/late afternoons through to evening time and Saturdays, exact hours to be discussed and determined. The role would be ideally suited to someone who is looking for part-time work (i.e. up to 25hrs per week). This role offers an amazing opportunity to develop this new club and develop a MAG programme from the beginning.
