

## MEMORANDUM

<b>DATE:</b> 23 March 2020	<b>STATUS:</b> High
<b>TO:</b> Gymnastics Community	<b>FROM:</b> Community Sports Team
<b>CC:</b>	<b>ATT:</b>
<b>RE: Covid-19 Level 3</b>	<b>NOTE:</b>

Dear Community,

As you will likely all be aware, the government has raised the Covid-19 alert level to Level 3 from today. This requires gymnastics clubs to immediately suspend delivery of all classes. The alert level will increase to level 4 on Wednesday and these, plus other measures, will remain in place for a minimum of 4 weeks.

If you haven't seen it already, this is a fantastic government website that will help you keep up to date - <https://covid19.govt.nz/>

Gymnastics NZ will continue to operate remotely during this time and will be communicating with clubs further over the coming days as we process the decisions made and their implications.

We are all operating in a climate of huge upheaval and uncertainty and we are very conscious of the impact this will be having on you all. Your Gymnastics NZ Relationship Manager will still be available for you to contact through phone or internet options and we encourage you to remain connected with them so we can continue to provide support throughout this very difficult period.

Kind regards,

The Community Sports Team
