

Centre Manager – Howick Gymnastics Club

Located in Pakuranga, Howick Gymnastic Club has a proud history in the local Howick, Pakuranga, Botany, Flat Bush and East Tamaki communities.

The Centre Manager leads the day to day operations of the club, it's a hands on role supported by a small administration team and head coaches for the competition and recreation members.

We have been working with the Auckland Council to be part of a new club facility situated at Lloyd Ellsmore Park, this is a future focussed project that will provide the club with a long term home right in the heart of Pakuranga's sports campus.

You will be a great communicator with a knowledge of how sports clubs run. Whilst gymnastics experience is ideal, sports administration and a real passion for the club is ideally what we are seeking.

The role is currently a 30 hour per week role with flexibility of days of works and also annual leave.

A handover from the current Centre Manager is intended.

Applications close Friday 29 May 2020.

Apply to chairperson@howickgym.co.nz.
