

WAG Competitive Senior Coach

Franklin Gymsports is a not for profit club, completely community focused, with the goal of getting children in the Franklin district moving and enjoying sport in a safe, fun and encouraging environment. We have been established in Pukekohe since 1960, and have been based at the A&P showgrounds for over 25 years. Our club has produced many international gymnasts, both women and men, over the past 25 years, and is again establishing a reputation as a great club to grow your children.

We are currently working through feasibility studies for a new purpose-built multisport facility - this is an exciting time in our club history, and is our largest goal at present. To achieve this goal, we are in need of continuing to produce quality programmes to build membership to beyond capacity with a high retention rate.

- Regular meetings between various team members.
- Regular communication with staff and members.

This role will be split between coaching and administration from Monday – Saturday with some Sunday work as required. Hours negotiable between 25 - 30 hours per week, with hours increasing during competitive season.

Your application will be considered if:

- You have a great attitude to success and have personal values and philosophies to fit into our team coaching culture.
