

Kapiti Gymnastics - MAG Head Coach

Kapiti Gymnastics is a successful gymnastics club that has been offering recreational and competitive gymnastics for over 30 years. We are housed in our own purpose built building which was significantly extended in 2018 making us the largest dedicated gymnastic facility in the greater Wellington region. We currently offer both recreational and competitive artistic programmes, and host two large competitions annually including the Wellington Regional Championships which in 2019 saw over 400 competitors competing over two days.

With our newly extended facility we now have the capacity to significantly grow and build on the opportunities and programmes we provide for people in our community. This includes realising our vision of significantly increasing the size of our competitive programme, and adding additional disciplines and pathways.

We are seeking a forward thinking, enthusiastic and qualified MAG Head Coach. The successful applicant will assist in leading a growing competitive programme that will provide our gymnasts with opportunities to develop and achieve to their full potential. They will also help mentor our existing young coaches to continue to develop and grow. A minimum of Gymnastic NZ Senior qualification is required (or international equivalent).

This position is permanent full time with a competitive remuneration package. Kapiti Gymnastics is based near the beach in a beautiful part of New Zealand, in a supportive and welcoming community.

For further information on this opportunity to join and help lead and enhance an already thriving gymnastics club, and full job description please contact Anna Grant on Board@Kapitigymnastics.co.nz. To apply please send a CV and cover letter.
