RE: Draft Timetables Covid Plan	NOTE:

Dear Member Club,

In planning for this years NZ Gymnastics Championships, it has been important that consideration has been given to the potential impact of Covid-19 and to have contingencies for operating at different alert levels. As we have seen, alert levels may be different across the country. The following outlines what will happen at the various alert levels in Auckland.

Level 4: Event Cancelled

Level 3: Event Cancelled

Level 2: Event delivered with significant changes to meet the bubble and Venue requirements. The goal is for each gymnast to still get a chance to compete.

Level 1: Timetable as per normal with changes to ceremonies. Ministry of Health advice on running events in level 1 will be adhered to.

Please find the draft Covid Level 1 and Covid Level 2 timetables below. All code timetables are below with the exception of Trampoline which will be out as soon as possible.

These timetables are draft only and subject to change.
