

Role: National Board Member-Appointed

Location: Auckland

Closes: 10th December 2021

Organisation and details

GymSports NZ Inc. Trading as Gymnastics NZ, is the peak national sports organisation responsible for the development, promotion and governance of Rhythmic and Artistic Gymnastics, Aerobics and Trampoline codes that make up Gymnastics NZ. The National Board consists of four elected and three appointed members.

By way of resignation mid-term, a vacancy has arisen for an Appointed Director of the Board of Gymnastics NZ. As a result, the Board Appointments Panel has been formed and is seeking applications from suitably qualified directors who have a diverse background, and who have the time, energy and passion to commit their experience and skills to help Gymnastics NZ continue its existing growth.

This opportunity will allow you to combine your experience with your interest in developing the future health, well-being and sporting excellence of young New Zealanders through Gymnastics NZ.

Skills/competencies sought.

You will have a broad professional background, and experience functioning at a strategic level. Through your professional and personal experiences, you will understand how to utilise your knowledge and expertise, combined with your business and/or sporting networks to add value, knowledge, and insights to the board. Thereby helping the organisation make a difference to the many experiences that New Zealanders engage with through our Gymnastics NZ clubs, events and programmes.

The ideal candidate the Board Appointments Panel is seeking, will have a broad range of commercial experience. This may include experience in senior-level management roles as well as governance experience as a director, trustee, or some similar governance role in either the commercial or not for profit sectors. Candidates with previous sport governance is advantageous.

The criteria that applicants will be judged against include, but is not limited to the following criteria:

- Experience as a director, trustee or in other governance roles.
- Knowledge of, and experience in sport generally and in particular, community sport.
- Experience and skills (commercial or non-commercial) in the following fields: finance, risk management, marketing, law, or business generally.
- Strategic ability and stakeholder focus.

Gymnastics NZ, places significant importance on the continued development of directors. Therefore, an important attribute the Board Appointments Panel will be looking for in candidates, are candidates with the ability to take the step into a governance role. Consequentially, a well-developed skill set across multiple disciplines, e.g. understanding finance, strategic thinking, combined with knowledge across a range of sectors, including sports, would be highly regarded.

Commitment required

7 Board meetings per year. Meetings are approximately 5 hours in duration.
