About us

At Te Wero we are passionate about recreational and competitive artistic gymnastics.

'Te Wero', which means 'The challenge' in Te Reo Maori, was very purposefully named. We believe in meeting challenges head-on in the physical world of gymnastics, and encourage our gymnasts to do the same in everyday life.

Te Wero is a small but mighty whanau-friendly club in the Eastern suburbs of Christchurch. We are in the hugely rewarding business of coaching and empowering children to become confident, self-motivated young people.

Our comprehensive recreational gymnastics programmes encourage fun and personal achievement. These run alongside our competitive Steps programme, which has trained many Canterbury, South Island and New Zealand champions.
