

Athlete Advisor

Men's Artistic Gymnastics – Ryan Moffitt

My name is Ryan, and I was appointed as the Athlete Advisor on the MAG Technical Committee. I have been involved in gymnastics for approximately 20 years now and competed for 14 years. I grew up training and competing for Mt Tauhara Gymnastics Club in Taupo, before making the move over to Hamilton City Gymnastics where I remain. I attended 10 consecutive NZ National Championships representing Waikato and represented NZ at two Nationals in the Trans-Tasman competition. My favourite was Floor and Vault.

I retired from competitive gymnastics in 2019, but I have continued as a coach and judge. By day I work as an Occupational Therapist and by night I enjoy coaching. I attend competitions mainly in a judging role as I hold a senior advanced judging qualification but continue to coach level 4-8 MAG. Alongside this, I now have the privilege of working as the Athlete Advisor.

I absolutely love gymnastics and pleased that I can give back to the sport in the MAG space. Through my role on the Technical Committee, I can make sure that the voices of our athletes are listened to and supported, and that your wellbeing is at the forefront of the decision-making process. Gymnastics is an inclusive sport and I want to ensure that all athletes feel valued, heard and confident to share their opinions, ideas and thoughts so we can work together to improve the sport for current and future generations of athletes.

Please don't hesitate to contact me at any point. I am happy to have a chat via email, phone or in person as I am regularly at gymnastics competitions during the season.

My email is: magathleteadvisor@gymnasticsnz.com
