

## Head Coach - Men's Artistic Gymnastics

The Hutt Valley Gymnastics Centre (HVG) is seeking an enthusiastic and energetic Head Coach to join our amazing team. HVG is a large club with a 2,400 m<sup>2</sup> facility running comprehensive competitive and recreational programmes. We have a growing membership of just over 1,100 athletes across all codes (GFA, WAG, MAG and Cheer), and dedicated and capable coaching team.

This role is responsible for developing and running the MAG programme and providing a positive, supportive environment for our MAG gymnasts to grow and develop in. Our very successful MAG programme currently has approximately 40 athletes ranging from pre-competitive to Senior International levels.

Some of the key responsibilities will include:

- Developing apparatus schedules and training programmes for the MAG programme
- Planning and organising the competition schedule for the MAG gymnasts
- Mentoring and developing coaches in the MAG programme
- Communicating with parents and gymnasts in the programme.
- Working closely with the other HVG Head Coaches, the Gymnastics Director, Centre Manager and Committee.

The successful applicant will bring the following skills and attributes:

- A commitment to child safety.
- A caring and supportive nature.
- Excellent communication skills and understanding of the need for confidentiality.
- Good organisational skills.
- Be a supportive team member
- Be honest and reliable
- Be proactive in continuing to learn and grow as a gymnastics coach.
- Enthusiastic and positive attitude

The ideal candidate will:

- Be able to work 4 afternoons / evenings per week and a Saturday
- Be able to plan and coach to Senior International MAG level (including building routines)
- Hold or be working towards Senior/FIG Level 2 or equivalent experience
- Hold some judging qualifications
- Hold a First Aid Certificate
- Speak English fluently

Hours are negotiable but expected to be 30 - 40 hours per week.

If you love helping others achieve their goals, are excited about gymnastics and being part of a team with a desire to develop an exceptional facility for our members, then please contact us for a full position description and application form.
