Information is to be provided via the online club management system.

- 5.7 **Partial Fee:** If a person, or organisation other than a Club, becomes a Member of GymSports NZ during the calendar year, the Membership Fees shall be pro-rated for the remainder of the year. A pro-rated Membership Fee shall be payable in equal or nearly equal instalments (as determined by GymSports NZ) on such dates as specified in clause 5.6 that occur within the remainder of the year. Membership fees for Member Clubs shall not be pro-rated as these are calculated and due on a full quarter basis.

GymSports NZ shall issue an additional invoice for any penalties payable due to late payments at the end of each month, provided that the Due Date for payment (and the time periods for

- 5.11 **Calculation of Club Member Fees:** The Membership Fees for Club Members who are not members of a Member Club shall be a set fee as specified in **Appendix 1** to this Regulation.
- 5.12 **Duplicate Member Categories:** If a Club Member is a member in more than one (1) category, or more than one Gymsport within a category, specified in Appendix 2, the Member Club shall register the Member in each category in which they are registered, but GymSports NZ shall only count one category of membership (being the category in which the Club Member is registered with the highest fee per quarter) for the purposes of calculating the Member Club’s Membership Fee.
