Senior Trampoline Coach

Hamilton City Gymnastics Incorporated, Hamilton Central, Waikato

Part time

Hamilton City Gymnastics is an Incorporated Society which provides Artistic Gymnastics, Trampoline, Aerobics and Babygym/Playgym classes to 700 children and youths per week. From recreational and PlayGym to competitive streams, we host events and competitions throughout the North Island annually. We also run school programmes at our facility, including for students with special needs who are looking to improve their motor skills, strength, coordination, flexibility and orientation.

We are currently looking for an experienced Senior Trampoline Coach to join our team and help our athletes reach their full potential! The successful candidate will be responsible for creating and delivering our competitive trampoline programme in a safe and fun environment. The individual will have extensive knowledge of technical aspects of trampoline, trampoline drills/conditioning, and conditioning for gymnastics. We have athletes ranging from beginners through to International competitive level and looking for a coach that will be able to extend athletes working at FIG3 level (triffs, multiple twisting double saltos).

The ideal candidate for this position will have:

- At least eight years of trampoline coaching experience
- A valid coaching certification from Gymnastics New Zealand or equivalent (Minimum of FIG2, preferable FIG3)
- Knowledge of trampoline safety guidelines and regulations
- The ability to communicate effectively with children, parents, and other coaches
- The ability to work collaboratively with other coaches
- A passion for helping athletes reach their full potential
- The ability to create and deliver an innovative and creative trampoline programme

Hours of work are very negotiable.

If you have the skills, experience, and qualifications to be a successful Senior Trampoline Coach, please send your resume and any relevant qualifications to us at Hamilton City Gymnastics.
