

Casual Trampolining Coach – West Melton

Due to an increasing roll, West Melton Gymnastics Club is seeking another amazing Trampolining Coach to support our team on a casual basis.

Trampolining and/or gymnastics experience is essential, with knowledge of basic trampoline skills a must. While preference will be given to those with certification equivalent to at least Trampoline Level 1/GNZ Basic Skills, attitude and community spirit is more important and therefore full training will be provided to the right person. First aid training will be provided for those without a current certificate.

Classes currently operate afternoons and early evenings from Monday to Thursday, with hours to be worked on an agreed rostered basis as and when required.

This would ideally suit a high school or University student looking to earn some pocket money to support their hobbies or study.

To find out more, contact Cindy Miller at headcoach@westmeltongymclub.nz or message Cindy on our Facebook Page - West Melton Gymnastics Club. Applications close 27 February 2023.
