CAREER OPPORTUNITIES, casual, part time and fulltime.

Are you an amazing coach and leader? Are you looking for a career change or to start a part time or full time career in the Sports Industry?

CSG prides itself on having only the highest quality of staff to deliver our gymnastics programmes to the community. Christchurch School of Gymnastics is looking for people with the X Factor!

Vacancies are now available for committed, motivated, enthusiastic people who have initiative and are comfortable to work over a range of our competitive and recreational and programmes. We wish to attract coaches who are passionate about helping kids explore their movement potential. Previous experience delivering movement programmes for young children is a plus, as is a dance or sporting background however training will be given for the right person. Assisting in running events as well as experience in coaching special needs is also a plus.

For our competitive programmes coaches must have previous gymnastics coaching experience.

Casual and Part time hours are available in all our programmes.

CSG pays the living wage to those adults over 21 up to \$30 dependant on qualifications, responsibility, and experience.

Two full time positions are available.

1. A young person seeking to forge a career in the sport. This is a 5 day a week position 37.5 /40 hours working across our programmes and some hours in administration. \$45k to \$52K.
2. A senior WAG coach working in a team with gymnasts up to international level. The coach must have senior coach qualifications, passionate about the sport, preferably with strong dance and choreography skills. Salary range \$60k to \$68k pa depending on experience and qualifications. This is a full-time position of 37.5 hours per week. Please email for more information.

CSG offers gymnastics and related classes for all ages and abilities and run classes from toddlers through to our competitive team and above.
