Mahi Tahī (One Award presented Across All Codes)	<p>Definition of the Award: to work together as one Open to: One province (encompassing all codes within that province)</p> <p>This is a new award for 2023 and was named by Megan from Gisborne Trampoline. This award has been introduced by Gymnastics NZ to encourage a supportive culture across codes within a province with a "team chant" Each province is challenged to create and learn a chant that can be called out by athlete and support members throughout the week no matter which code you are in, it should be short and sharp, use appropriate language and cant not degrade any other province, code or team.</p> <p>Note: If a province only has one code, this does not disqualify them</p> <p>You could borrow from another sporting code for example: Hawkes Bay Hawke eyes in Speedway use "Come on the Bay, Come on the Bay, Black White alright, Come on the Bay" or maybe a chant from a school house ie in Dunedin a school had Wellington as house and their chant was: W for Wellington, W for Win, come on wellington don't give in"</p> <p>This award will be selected by the floor managers and the Event Manager and the decision will be final.</p>	CAN
