Introduction

This manual covers the competitive rhythmic gymnastics levels and grades offered throughout New Zealand. Rhythmic is defined as a form of gymnastics emphasizing dance-like routines to music, accentuated by the use of rope, clubs, balls, ribbons, or hoops.

Gymnastics New Zealand

As an International Gymnastics Federation member, Gymnastics NZ is the national governing body for gymnastics in New Zealand. We look after the sport across all codes from grassroots, through to high-performance athletes.

Our codes include both men's and women's artistic gymnastics, rhythmic, aerobics, trampoline, and GNZ parkour, and work with technical committees to outline the New Zealand rules and regulations for each one of these codes.

Gymnastics NZ staff support clubs in the operational and technical delivery of the sport, through relationship managers, education, international tours, and head office.

Clubs are required to be a member of Gymnastics NZ to compete in the national competitive programmes.

Strategic Plan 2024-2030

This is the road map outlining what our priorities will be and why.

Our Vision – To be New Zealand's First Choice Sport.

This is a vision that we can measure and be inspired by. Gymnastics is a core foundational sport, whether we are your first sport, or your forever sport. And we believe that gymnastics sets you up for life.

Our Purpose – To Enable Positive Gymnastics Experiences for Everybody.

This purpose both guides and motivates us. Our athletes, volunteers, clubs, officials, and people are the reason we are here. We believe that everybody involved in our sport deserves a positive, enjoyable, fun, experience at every level of sport.

Our Values

These are the key behaviours we believe the organisation needs in order to achieve success for our sport, and should underpin everything that we do. They were designed by our team, based on community feedback and interactions.

Our Strategic Priorities

These are the key outcomes we are looking to achieve by 2030. These outcomes were set by the Board after careful consideration, and feedback from the community through our club hui.

- Growth in participation.
- Thriving club communities.
- Established performance pathways.

We believe these are the three areas of focus that will deliver on our vision to be New Zealand’s first choice sport.

Safe Sport

Gymnastics NZ is committed to creating a positive culture within the sport of gymnastics that prioritises the safety and wellbeing of all involved, with particular emphasis on children and young people. This includes both the prevention of harm within gymnastics as well as recognising and responding to concerns, disclosures, and allegations both within and outside of the sport.

It is important that any concerns regarding child safety and wellbeing are raised as soon as possible. This could involve contacting your club safeguarding lead, or by completing a safe sport form on the Gymnastics NZ website. Identifying and addressing concerns early and at the appropriate level is an important part of creating a safe and positive culture within the sport of gymnastics.

Please refer to the [Gymnastics NZ website](#) for more information on how concerns and complaints are handled and for the Gymnastics NZ Complaints Policy, and Safeguarding and Child Protection Policy.

Gymnastics NZ Code of Behaviour

The [Gymnastics NZ Code of Behaviour](#) applies to anyone involved in the sport of gymnastics in New Zealand, whether they are an athlete or in a paid or unpaid/voluntary capacity with Gymnastics NZ or an affiliated club or organisation.

Respect the rights, dignity and worth of every individual athlete as a human being.

Treat everyone equally regardless of sex, disability, ethnic origin or religion. Respect the talent, development stage and goals of each athlete to reach their desired potential.

Protect athletes from all forms of abuse.

Refrain from any form of verbal, physical, or emotional abuse towards athletes. Refrain from any form of sexual or racial harassment, whether verbal or physical. Do not harass, abuse, or discriminate against athletes based on their sex, marital status, sexual orientation, religious or ethical beliefs, race, colour, ethnic origins, employment status, disability, or distinguishing characteristics. Any physical contact with athletes should be appropriate to the situation and necessary for the athlete's skill development. Be alert to any forms of abuse directed towards athletes from other sources while in your care. You must raise any concerns you have regarding the treatment of any athlete by another coach, volunteer, parent etc. in accordance with this code or any other relevant policies and procedures e.g. Safeguarding and Child Protection Policy.

Provide a safe environment for training and competition.

Adopt appropriate risk management strategies to ensure the training and/or competition environment is safe. Ensure equipment and facilities meet safety standards. Ensure equipment, rules, training, and the environment are appropriate for the age, physical and emotional maturity, experience, and ability of athletes. Show concern and caution toward

sick and injured athletes. Allow further participation in training and competition only when appropriate. Encourage athletes to seek medical advice when required. Provide a modified training programme where appropriate. Maintain the same interest and support toward sick and injured athletes as you would the healthy athletes.

Make a commitment to providing a quality service for all athletes.

Seek continual improvement through ongoing education, and other personal and professional development opportunities. Provide athletes with planned and structured input appropriate to their needs and goals. Seek advice and assistance from professionals when additional expertise is required. Maintain appropriate records.

Maintain a high standard of integrity.

Operate within the rules of the sport and in the spirit of fair play, while encouraging athletes to do the same. Advocate a sporting environment free of drugs and other performance enhancing substances with the guidelines of the Drug Free Sport New Zealand and World Anti-Doping Code. Do not disclose any confidential information relating to athletes without their prior written consent.

Be a positive role model for the sport and athletes and act in a way that projects a positive image.

All athletes are deserving of equal attention and opportunities. Ensure the athlete's time spent with you is a positive experience. Be fair, considerate, and honest with athletes. Encourage and promote a healthy lifestyle – refrain from smoking and drinking alcohol around athletes.

Professional responsibilities.

Display high standards in your language, manner, punctuality, preparation, and presentation. Display control, courtesy, respect, honesty, dignity and professionalism to all involved within the sphere of sport – this includes opponents, coaches, officials, administrators, media, parents, and spectators. Encourage athletes to demonstrate the same qualities. Be professional and accept responsibility for your actions. You should not only refrain from initiating a sexual relationship with an athlete but should also discourage any attempt by an athlete to initiate a sexual relationship with you, explaining the ethical basis of your refusal. Accurately represent personal qualifications, experience, competence, and affiliation.

Rhythmic Gymnastics Pathway in New Zealand

Levels Grades

The Levels grades are designed to be ability-based, as opposed to age-based, so there are no age restrictions. It is suggested that every gymnast wanting to compete starts at Level 1; however, gymnasts starting the sport at 10 years or older may already have the basic skills to begin at a higher level.

Once a gymnast has competed in a particular Level at an endorsed event, they cannot compete in a lower level without applying for dispensation.

The Rhythmic Technical Committee (TC) reserves the right to regrade a gymnast due to extenuating circumstances.

The Gymnastics NZ Levels programme is closely aligned with the FIG Code of Points in that the gymnasts have a choice of what difficulties they perform. They can therefore perform difficulties that best suit and can be rewarded for performing more complex apparatus handling.

- **Levels 1 and 2** – offered at a club and regional level only (not offered at the New Zealand Gymnastics Championships). These Levels are designed to give gymnasts an introduction into competitive rhythmic gymnastics and the focus should be on introducing fundamental moves with correct posture and basic apparatus technique, so as to give a good grounding for more difficult movements to be introduced at the higher levels.
- **Levels 3 and 4** – offered at a club and regional level with a club based National Level 3 and 4 event. In bodywork, both flexibility and strength should be introduced to a greater extent in a progressive way. The emphasis in apparatus handling should still be on basic technique: apparatus technique should be well formed, without statism and should show variety amongst technical groups.
- **Levels 5, 6 and 7** – by now gymnasts should have a good foundation in rhythmic gymnastics. Gymnasts should be in a position of coordinating body difficulties with more complex apparatus handling, and thus more scope is given to show a variety of apparatus handling.
- **Levels 8, 9 and 10** – these grades are based on FIG junior and senior international requirements. Gymnasts in these grades are likely to focus on their individual strengths, and emphasis should be on giving a well-rounded performance with moves that complement the gymnast's music and individual style.

Stages and International Grades

These grades are designed to prepare gymnasts to compete at an international level.

- **Senior International** – must be turning 16 years of age or older in the year of competition. FIG senior international requirements are as per the FIG Code of Points.
- **Junior International** – must be turning 13, 14, or 15 years of age in the year of competition. FIG junior international requirements are as per the FIG Code of Points.
- **Stage 4** – must be turning 10, 11, or 12 years of age in the year of competition.
- **Stage 3** – must be turning 9, 10, or 11 years of age in the year of competition.
- **Stage 2** – must be turning 7, 8, or 9 years of age in the year of competition. Offered at a club and regional level only (not offered at the New Zealand Gymnastics Championships).
- **Stage 1** – must be turning 7 years of age in the year of competition. Offered at a club and regional level only (not offered at the New Zealand Gymnastics Championships).

Groups

There are seven multiples (group) grades as follows:

- **Grade 1** – for Levels 1–4 and Stages 1–2 gymnasts under 10 years of age. Offered at a club and regional level only (not offered at the New Zealand Gymnastics Championships).
- **Grade 2** – for Levels 1–4 and Stages 1–2 gymnasts, no age restriction. Offered at a club and regional level with a club based National Level event.
- **Grade 3** – for Levels and/or stages gymnasts turning 9, 10, 11 or 12 years of age in the year of competition.
- **Grade 4** – for Levels 5–7 gymnasts. A maximum of two Stages 3 or 4 or Level 3 or 4 gymnasts may participate in this grade.
- **Grade 5** – for Levels 5–10 gymnasts. A maximum of two international grade gymnasts may also participate in this grade.
- **Grade 6** – the Junior International group grade, with FIG junior group requirements. Gymnasts must be turning 13, 14, or 15 years of age in the year of competition, unless they are a current Stage 4 gymnast.
- **Grade 7** – the Senior International group grade, with FIG senior group requirements. Gymnasts must be turning 16 years of age or older in the year of competition.

For Groups 1- 5 the group can be composed of 4 or 5 gymnasts per showing. Groups 6 and 7 must be composed of 5 gymnasts per showing. For all Groups the group is awarded for the combined total of showing 1 and 2.

Pairs and Trios

Gymnastics NZ does not offer Pairs or Trios at the National Level. Regions/clubs are welcome to offer Pairs and Trios at a local level and GymClub Challenge (The National GfA Programme) it is suggested that the same requirements are used as for the equivalent group grade.

Progressing Through a Level

The idea of the Levels system is that gymnasts can systematically progress through the levels, starting at 1 and finishing at 10. A gymnast ‘passes’ a Level when she achieves a certain standard. This can be done by: Achieving an all-around total pass mark

Once a gymnast achieves the pass mark in any of the ways outlined above, that gymnast must progress to the next Level in the following year of competition. The only exceptions to this are:

- Gymnasts in Levels 8–9 may remain in their Level for 2 years regardless of the marks achieved in the first year.
- In extenuating circumstances, the RG TC can request that a gymnast must progress to the next level at the end of the first year OR A coach can apply to have a gymnast remain in Levels 8–9 for longer than 2 years using an Application for Regrade form.
- Level 10 gymnasts may stay in Level 10 indefinitely.
- If a gymnast has a significant break from competitive gymnastics, an application can be made to GYMNASTICS NZ for consideration to recommence competition at an appropriate Level, using an application for Regrade form.
- If a coach would like a gymnast to remain in a particular Level despite achieving the pass mark or would like a gymnast to skip a Level can apply to GNZ to request a gymnast stays in a particular level, using an Application for Regrade form.

Level Pass Marks	
Level	Overall
1	14.00
2	16.00
3	24.00
4	25.00
5	45.00
6	40.00
7	42.00
8	58.00
9	60.00
10	63.00

Note: A gymnast may progress through more than one Level in a season.

If a coach would like to progress a gymnast within a season, when it is considered that a gymnast has achieved the standard to advance to the next level, her competition results must be sent for verification along with a re-grade application.

Gymnasts can pass a Level at an endorsed or qualifying event if the minimum judging panel requirements have been met. Gymnasts can only qualify for the New Zealand Gymnastics Championships at a qualifying event.
