This performance criteria forms part of the qualification process and identifies athletes as being eligible for consideration for nomination and selection. **This performance criteria in no way guarantees nomination and/or selection to the team.**

The maximum number of athletes selected to compete at each event will be determined by the event requirements. If more athletes meet the performance criteria as set out in clause 4.1 than the number of available positions then selections will be based on the highest % placing ability of the athletes.

All scores and results taken into consideration for nomination and selection (including those at any Trial Event) must have been achieved during official sanctioned competitions (sanctioned by Gymnastics NZ, FIG, or another National Federation member of FIG) or trial competitions held in conformity with Gymnastics NZ competition technical requirements, under the jurisdiction of an official judging panel, chaired by a FIG Brevet Judge and agreed upon by Gymnastics NZ.
