

LEAD OUR MAG PROGRAMME!

Are you an ambitious and passionate Men's Artistic Gymnastics coach looking for an opportunity to grow one of New Zealand's leading MAG programmes?

Hutt Valley Gymnastics is seeking a Head Coach – Men's Artistic Gymnastics (MAG) to lead our growing programme and to help shape the next generation of gymnasts through talent identification and programme development.

About Hutt Valley Gymnastics

Hutt Valley Gymnastics is one of New Zealand's leading gymnastics clubs, providing high-quality programmes across multiple codes. Our MAG programme provides a strong foundation for the successful candidate to build upon. Our facility boasts exceptional equipment, including:

- World-class MAG equipment and designated space in our 2100m² facility
- Vault runway and floor extension into foam pit
- A membership base of over 1000 athletes, providing significant opportunities for programme growth

With a strong recreational and competitive pathway already in place, we are looking for a coach who can build on our existing success and identify emerging talent throughout the club to strengthen and grow the MAG programme.

The Role

As Head Coach, you will provide leadership and technical expertise, and implement the strategic direction for the Men's Artistic Gymnastics programme.

You will be responsible for developing athletes across all competitive levels while creating a positive and aspirational culture for athletes, coaches, and families.

Key Responsibilities

- Lead and deliver high-quality coaching across the MAG programme.
- Develop and implement long-term athlete development pathways.
- Prepare athletes for regional, national, and future high-performance opportunities.
- Identify emerging talent from within the wider club and support athlete transitions into the MAG programme.
- Grow participation and retention within men's gymnastics.
- Mentor, support, and develop junior MAG coaches.
- Foster a positive, athlete-centred culture focused on enjoyment, progression, and excellence.
- Build strong relationships with athletes, parents, coaches, and club stakeholders.
- Support programme planning, athlete tracking, and competition preparation.
- Ensure the highest standards of athlete welfare, safety, and professional coaching practice.

About You

The successful applicant will be:

- An experienced Men's Artistic Gymnastics coach with strong technical knowledge across all MAG apparatus.
- Passionate about athlete development, athlete-centred coaching and long-term programme growth.
- A natural leader who enjoys mentoring coaches and building a positive team culture.
- Skilled at recognising and nurturing potential in young athletes.
- Organised, proactive, and able to work collaboratively within a dynamic club environment.

Desired Qualifications & Experience:

- Gymnastics NZ Advanced or Senior Coaching qualification or equivalent international coaching certification.
- Experience coaching competitive MAG athletes across all levels
- Experience leading programmes or coaching teams
- Understanding of athlete development pathways and talent identification
- Current First Aid certification & Child Safeguarding qualifications (or willingness to obtain).
- Competitive remuneration based on qualifications and experience.
- Between 25–40 hours per week, depending on the successful applicant.
